*In Loving Tribute To
Celia Emmerich*

Greenwood Little Theatre is extremely grateful for the gift from Celia Emmerich to help us begin to restore and improve the W.M. Whittington Playhouse. President Glenn Nail has appointed Belva Pleasants, Past President, as Chair of Building Improvements to oversee the project of Lobby and Front Entrance Renewal. Belva has been working with consultant, Clay Pettit, who has overseen and donated much of his services toward a new and improved lobby. At a later date, a Dedication Ceremony will be planned, which will remember Celia and her many gifts to GLT, in time, talents, and money. At that time, when Celia's family can be present, the GLT lobby will be dedicated and named in her honor.

CELL PHONE USE

Please do not use electronic devices during the show as it is very distracting to the other audience members.

- Set your cell phone to silent or turn it off.
- Do not record on your cell phone or tablet in front of another audience members.
- No texting during performances. The bright light from your display is disturbing to your neighbor. It's amazing how bright one cell phone light can be in a dark theatre.
- No flash photography during the performance.
- No talking during the performance.

Anyone who disregards these rules will make a \$20 donation to the Greenwood Little Theatre.

Thank You!

Director's Notes

What a pleasure to work with a great group of people. Thank you to the parents who allowed us time with their children to bring this production to the stage. Thank you to the "seasoned" actors for bringing their expertise and patience. And to my Co-Director, Becky, what an honor to work with someone so knowledgeable and organized, hopefully we will do this again some-time. To GLT, I thank you for being an avenue for us all to display our talents and creativity. To Billy, for his patience and support in something that myself and our children love doing.

Patrice Peacock, Director

It has been a delight to work with such fun loving and talented people on this production. It has been so rewarding to see newcomers blossom on stage and our veteran actors just get better and better! Winnie the Pooh has been one of the most fun plays I have ever been associated with! I cannot say enough thanks to my gifted co-director for lending her talents and time to making Pooh a success.

Thanks also go to Janice Shanks for making us all sound good! She is such a blessing!! Special thanks go to my husband, Jim, for putting up with me throughout all this and constantly being at my side to help whenever he was called upon. **Becky Palmer, Director**
